Video Link Project Clean Water

Dear Friends, I am pleased to attach a Video Report of our **31st Approved GG 1635243** to provide clean water to 3 villages in East Java. Project was approved 5 April 2017 and we are doing the Final Report now. Our Partner Club is RC Surabaya Timur and the Rotaract Club of Surabaya Timur. From water source in the mountains to the villages estimated distance is 13.5 km. Many thanks to HM Mohan Vaswani for his efforts in pushing this project through despite many challenges faced by both our Club and RC Surabaya Timur in the approval and launch of the Project. We are blessed that the final objectives were achieved eventually.

The Four-Way Test

Of the things we think, say or do:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendship?
- Will it be beneficial to all concerned?

The Guide to Daily Living

Before doing the things we want to do, consider first, the Precepts of the guide. Ask ourselves these 4 questions and act upon them:

First: *Have I spent some time in self-examination?*

Second: *Have I spent quality time with my family?*

Third: *Have I given my best to my work?*

Fourth: *Have I given some time to someone near and far?*

The Guide, in fact, encompasses the 4 parts of the Object of Rotary.
